8. Documentation of credits from previous courses you want to have approved.
9. The hiring committee's evaluation of the project.

* Does not apply for applicants with a master degree from HiOA/HiO/HiAk/OsloMet.

3. Educational background

Academic degree on which admission is proposed to be based				
Name of degree	Components (subjects, levels)	Educational institution	Year/semester	
Title of master thesis				
Other possibly relevant educational programmes since secondary school (certificates to be attached)				
Type of education	Educational institution	Year/semester		
Previous posts held since graduation from master studies/professional programme (If necessary, use separate sheet)				
Employer	Post	Time period	Persons who can confirm	Phone no.

4. Plans for the PhD programme

Starting time	Finishing time
Year/semester	Year/semester
Working title of the thesis	
Project abstract	

Maximum 2000 signs included blank signs. Full Project description has to be submitted separately

Is the PhD thesis planned as a development of the master thesis? (Yes/no)

If YES, please elaborate:

Area of scientific specialisation:

External applicants (Applicants that have not applied for a research fellowship at LUI)			
Where do you want to do your research?	Institution, department/centre	Address	Phone number
Description of the research environment (external applicants only) (field, focus, size, relevance for your research)			

Suggested main supervisor – from OsloMet			
Name	Position	Work place	E-mail
Is suggested main supervisor:	Wanted:	Contacted:	Willing:
Suggested assistant supervisor – from OsloMet			
Name	Position	Work place	E-mail
Is suggested assistant supervisor – from OsloMet	Wanted:	Contacted:	Willing:
Suggested main supervisor – not employed at OsloMet			
Name	Position	Institution	Faculty
Institute/dept.	Phone	E-mail address	
Is suggested main supervisor:	Wanted:	Contacted:	Willing:
Suggested assistant supervisor – not employed at OsloMet			
Name	Position	Institution	Faculty
Institute/dept.	Phone	E-mail address	
Is suggested assistant supervisor:	Wanted:	Contacted:	Willing:

Planned participation in courses – the first year		
Name of course	Semester	Institution offering the course
Credits from previous courses you want to get recognized		
Name of course	Institution that offered the course	Attachment no.

Planned, necessary/wanted periods as visiting research scholar				
Institution	Country	Purpose	Period	Funding

Funding plan				
Funding source / salary provider	Type (individual scholarship grant, project scholarship, type of employment)	Duration: From – to	% work duty	When is application decided upon?*

*If the application is granted, submit a copy of the grant letter.

Is the work with the PhD degree part of a larger research project?	YES	NO
--	-----	----
